Arley & Janice Loewen - Ministers-at-large for Afghans around the world

We ran a Healthy Family Life seminar near Cologne, Germany two weeks ago. We met with 12 Afghan couples for a 3-day seminar. This has been one of the highlights this year. "We need this so badly!" many said.

We set up five "love stations" with illustrations, symbols and writings at each table. Two couples went to each station to read, reflect and write down how they could love their spouse with "this language" and how their spouse could love them. After, each husband-wife discussed what they had written down. One man said, "I feel like I'm getting married again!"
