Missionary Feature

Garry & Cynthia Barkman - serving with Ethnos Canada in Washington

"We are so grateful for your partnership in the Gospel going further through mission aviation. These days Garry has been helping Missao do Ceu connect with technical expertise as they purchase a new airplane! It's exciting to see how God is providing to see the Gospel spread throughout the Amazon basin in Brazil. We are thankful for some weeks in Spokane to catch up with things at home and connect with people here. As we celebrated Thanksgiving and see Christmas preparations under way we are so thankful for Jesus and the salvation He offers each of us. We are reminded again that only through Him can anyone spend eternity in heaven, and that is our prayer for people all over the world— that they would hear, understand, and accept the Gospel. Thanks for being part of the team invested in this great work! May you be richly blessed for the way you partner for the Gospel!"
