## Missionary Feature

Garry & Cynthia Barkman - serving with Ethnos Canada in Washington

"Thanks for your partnership in taking the Gospel further through mission aviation! We just completed a mission aviation audit/consult at Mercy Air in South Africa. God is at work through this team, and we enjoyed the opportunity to invest in what He is doing there. Some of our friends from Spokane recently moved to Mercy Air to serve there, and it was a privilege to spend time with them. Would you pray for the team at Mercy Air, that God would continue to use them to take the Gospel further? Would you also pray with us for the upcoming annual Safety Seminar at Moody Aviation, where we will be focusing on intercultural communication and the implications of communication in aviation? We'd also appreciate prayer as we recover from jetlag while completing preparations for the seminar. Praise God with us for the way He is working and the opportunities we have to be involved in what He is doing. Thanks for your part in His work!"
