

## COVID-19 Statement:

As followers of Jesus, we choose to continue to trust in God's sovereignty in the midst of the spread of the COVID-19 virus.

We have decided to move our corporate church services online until further notice. If you are not involved in the service, we would request that you participate via live stream (on YouTube).

As people of faith, let's care for those in need, pray for those affected and pray for our government leaders, health care workers and others on the frontlines of this pandemic.

As you encounter people with fear and anxiety, take the opportunity to share of the hope that you have in the resurrection of Jesus Christ and his return!
