

Good morning BCC!

We are going to make a few changes when it comes to our Sunday morning services starting this Sunday – Feb.21!

1. We are going to have 2 services so that more people can come to the in person services per week. The services will be a 9:00 and 10:45 with the 10:45 service continuing to be livestreamed
1. We found out this week that we are allowed to have 50 people on top of the production crew and those that are involved in the service! So that means with 2 services, we can have 100 per Sunday attending in person.

You will need to sign up in order to attend, so please contact Lisa at the office and let her know which service time you would like to sign up for. Once this Sunday is full, we will continue the list for the following Sunday. Lisa will confirm with an email which Sunday you are on the list to attend

We really encourage everyone to sign up over the next weeks as we would love to see all of you here and worship with you together!

**Also please note – because we are running 2 services, there will no longer be the “foyer” zoom meeting at 10:00 on Sundays.
