## MISSIONARY FEATURE

**John & Marcia Rempel** - serving with OM in Austria

"We're doing well, but starting to get a bit tired of still being in lockdown. Several in our congregation tested Covid positive at Easter, so Marcia and I are glad that we've been faithfully 'masking and social-distancing'. Mandy's doctor earnestly warned her of the danger if she were to contract Covid, and had her first vaccination on Friday.

Marcia continues to Zoom mentor, and has just started mentoring / discipling several people at one time. John continues supporting and building up several business ministries.

### The Hainburg Project

The place is ours... now the work of preparing for renovations has started. We've met 5-6 of our new neighbors, several who are quite willing to chat and offer ideas for what kind of business they think we should set up! Pray with us that God prepare a harvest of righteousness in the city. Also that our house sells soon, so we can pay the renovations!!

Thanks for standing with us."
