## MISSIONARY FEATURE

**John & Marcia Rempel** - serving with OM in Austria

"The past months – filled with blessings and challenges:

Thanks for your prayers for the Hainburg Project. Our house sold. We praise God for a marvellous apartment to live in until our place will be ready, hopefully in a year, if Covid doesn't interfere too badly. A couple is exploring joining us next year.

You may remember Esther and Leo who fled from the Near East. Their employers have systematically taken advantage of them, shorting hours, not paying overtime, etc. Esther lost her job recently due to trumped up accusations. A lawyer declared them without substance, but the damage was done. Leo's company gets subsidies for hiring people like him. Several months ago he was told that the company habitually terminates employees just before the subsidies run out, and hires someone else. It's not legal, but hard to prove. He was just let go.

At the moment they have no source of income. They are feeling quite hopeless. We will continue to help them as much as we are able.

Thanks for standing with us."
