Garry & Cynthia Barkman
serving with Ethnos Canada in Washington

"Thanks for your prayers and partnership in the Gospel! These days we are praising God for Kaleb's graduation from Great Northern University last week and for the solid Biblical education he received. Would you pray with us for Kaleb as he trusts God for the right youth pastor position. He is planning to stay in Spokane and has a few options that he is considering. We just returned from a week in Alaska where Garry presented at a mission aviation safety conference and we had opportunity to spend time with many missionaries. We are asking God to continue His work in Alaska. Pray also for us as Cynthia is in Florida for a week as her mom starts chemo. We are so privileged to invest in the Gospel going out in many ways and the mission aviators who have answered the call. Thanks for your part! May you be richly blessed for the ways you invest in eternity! Servants with you, Garry & Cynthia"
