"Greetings from Manaus, Brazil. We've had an amazing 2 weeks here doing an aviation audit/consult for Missao do Ceu, the Brazilian mission that Marcio Rempel started. We have been so impressed by their vision and the huge need that exists in Amazonas for aviation support for missionaries. We were also privileged to visit an MK school and chat with students who are passionate about the Gospel and asking God how to be involved.

Thanks for praying for this trip— God has answered abundantly! We appreciate your prayers as we head home and need to catch up on a number of things that are waiting for us there.

It was great to see a few of you last month and we look forward to our next visit to Blumenort.

Thanks for being a Body that is invested both locally and globally. Thanks for your part in our lives! Privileged to serve with you!"
