Garry & Cynthia Barkman

servicing with Ethnos Canada in Washington

"A huge thank you from Garry & Cynthia for your partnership. We are so blessed by your commitment to Jesus and His truth and grace. We are just completing a busy season of work travel and have been so encouraged by our interactions with younger people who God is calling to know Him and serve Him. Would you ask God with us for many more laborers to join the mission aviation team, working to see the Gospel go further, to the ends of the world?"

We were encouraged this week by a note about a new language group receiving the entire translated Bible! This is a large group of people in Brazil where the Gospel has been present for some time and churches are functioning. And now the entire Bible is available for reading, studying, and memorizing! Thanks for being part of this work! We are so blessed by you."
