John & Marcia Rempel
Serving with OM in Austria

"1st phase construction finally came to a point where we could move in. There is still much to be done, and the construction project continues to offer opportunities for conversations.

A local business owner recently asked me 'How do you recognise 'calling' in your life?' He's not a believer, is happy with his situation, but senses there should be more. 45 mins later we agreed to meet weekly to pray together, that God would reveal the answer to him.

Pray that he understands and responds to the 'pull' he is experiencing.

Marcia seems healthy again. Next follow-up with doctors in August.

Thanks for your prayers and support."
