Garry & Cynthia Barkman
serving with Ethnos Canada in Washington

"Thanks for your partnership in the Gospel! We just got home from a week at EAA AirVenture in Wisconsin, the world's largest airshow. We partnered with many mission aviation organizations and local churches to invite believers to be involved in mission aviation and invite others to know Jesus. It was a great week of hearing how God is working and moving around the world as well as sharing what He is doing at Moody Aviation.

We're enjoying being home for a few weeks before we head to Angola to do an audit for MAF Canada.

We are so thankful for you and how God is using you where you are and in mission aviation through your prayers and support. Thanks for being a part of our lives and ministry! Privileged to serve with you, Garry & Cynthia"
