Anthony & Susan Reimer
serving with Avant Ministries

"Susan and I attended two weeks of training with Avant (formerly Gospel Missionary Union or GMU) in Kansas City. It was a fantastic time of learning and getting to know some of our fellow missionaries. There was much to absorb and process. We heard some wonderful stories of God at work, even how He used Tik Tok to start a church!

We appreciate very much the support we have felt from you, our church family! Please continue to pray for upcoming opportunities to share the need to reach the three billion who have not heard of Jesus."
