## Missionary Feature

**Reza & Bahar Azimi - serving with Ariana Ministries**

"These days, Afghan refugees in neighboring countries around Afghanistan are facing huge challenges. Often, because of poverty, unemployment, deportation, and other needs, they contact us with great hope and expectation. We as the Ariana team face real dilemmas in knowing how we can best help them, offer hope, and train and disciple them.

We truly need your prayers to serve these refugees in the best possible way. Please pray for the Ariana team as we respond and follow up on the needs of seekers and believers inside Afghanistan and refugees outside the country. We are grateful for your presence and your continuous prayers.

Thank you for your support, and we pray for God's blessings and strength for you."
