### Missionary Feature for the month of June

Garry & Cynthia Barkman - serving with Ethnos Canada in Washington

#### Week 1 - Introduction:

Garry and Cynthia spent their first 25 years in mission aviation supporting church planters and remote communities in Latin America and Asia. In 2014 God took them to Moody Aviation to invest in the next generation of missionary aviators. Garry serves as the Director of Safety and Cynthia serves in women's ministry. Together they do aviation audit/consults around the world, investing in the broader mission aviation community. Their goal is for the Gospel to go further through missionary aviators who are deeply invested in the Gospel and are excellent technicians. They are thankful for an amazing team who partners with them in this great work.
