Week 3: Stories of God's Work

God works in mysterious ways. One of our Avant missionaries came to the Lord through a book about *Joni Eareckson Tada*. Up until this point she had not considered Christ but was from a Muslim background and living a life of luxury. Smoking and cars were her hobbies. A friend gave her the book about Joni and when she was done she said, "I want what Joni has." This began her journey to becoming a follower of Jesus but it also cost her dearly as she was rejected by her family. Today she is a passionate worker for Jesus serving refugees and caring for those who need Jesus.
