Missionary Feature for the month of December
Allen & Mary Beth George

Mary Beth Penner, went to Peru in 2005 as a single lady serving under Serve in Mission. She worked in many areas of ministry including Bible Studies, Sunday School, Camp, and Drama. At the end of 2017 she married fellow missionary and widower Dr. Allen George from Nebraska, US, who moved to Peru in 2000 with his late wife Amy who passed away in 2016 from a brain tumour. Together Allen and Amy had 4 kids who are all adults studying/working in the States. Allen worked as a medical missionary until 2010 when he took on the role as SIM Peru director. When Amy passed away he relinquished the director role though he continues to be a part of the SIM Peru administration team. He has continued to do medical work since leaving Abancay, although that is not his main focus.

In April, 2022 they moved to a small coastal town called Punta de Bombon to do a church plant together with Peruvian Pastor Elvis, his wife Rosita and their two young daughters. Their goal for this next term is to focus on building relationships in the community and walking with people who want to grow in their faith.
