“Please pray for Saturday teen’s Volleyball. The teens have begun to look forward to it from week to week and many weeks we have new teens as well as veterans coming since it’s in a public park and they all know each other (there’s only 1 high-school in La Punta). It is fun to see those who are really good at volleyball and those who aren’t, learn a very different way of playing the game where Christ is honoured and glorified. And people are improving. I think many of them are strongly attracted to the love and righteousness, as well as the fact that adults are caring about them enough to spend time with them. Since that rainy day in September when we invited everyone over (noted in our prayer letter), we have continued with the new tradition of coming to the house half-way through the afternoon for snacks, a Bible talk and ping-pong and chess. It’s been fun to build relationships with these teens and see their interest in spiritual things grow.”
