Missionary Feature for the month of December

Allen & Mary Beth George

Praise God our kids are coming from December 14-20th to celebrate Christmas with us. Pray for a good and refreshing time with everyone. Pray that we would be a light to the community by the way we interact with each other.

Please pray for people from our church to feel loved this Christmas by each other and that they would especially feel the love of Christ for them. Pray that new people would understand the gospel and come to know Christ. Pray for those who are interested but not committed, to make decisions to follow Christ.

Please pray for strength and energy to participate and prepare extra activities with joy. Pray for wisdom to know how much and what to plan.

In summer, church often gets laid to the side as the town fills up on the weekends, though we do get quite a few tourists! Summer Saturday night parties often keep us (leaders) awake, which is difficult. Until March, there is not much routine which makes consistency difficult. Pray that people don't fall through the cracks and that each person would take seriously their own relationship with the Lord and put Him first in their lives so that they don't back-slide during this time.
