### **Missionary Feature for the month of February**

**Reza & Bahar Azimi** - serving with Arianna Ministries

#### **Please pray for:**

- The production of a series of educational TV programs and podcasts for Afghan believers. Topics include trauma, knowing God, and the divinity of Christ in the Gospel of John. Pray for wisdom and for these productions to be used for the church and for the glory of his name.
- The follow-up and response department of the Ariana team. We need workers and volunteers. The volume of calls we receive daily is more than our team can handle. Pray for wisdom as many who call request financial help or believe they can leave Afghanistan through this ministry. In many cases, online calls turn into debates between two religions, arguments, threats, and insults from radical Muslims. Pray for those wanting to be discipled.
- Producing content on social media networks. We need financial support and skilled workers.
- The children's ministry. We plan to prepare a puppet-based TV program.
