Prayer Request

As we were rereading Luke chapter 1 in the Siamou language, we got to verse 69. Joseph, one of the revisors said, "I don't understand this verse. What is a Savior with horns?". Here was an opportunity for us all to learn more about Bible Translation principles. The revisors were all perplexed by this verse. So we looked it up in several French translations. The NIV says, "He has raised up a horn of salvation for us," with a footnote: "Horn here symbolizes strength.". The Greek word for "horn" can mean "horn" literally, or it can mean "strength" or "power". After our study and discussion, we all agreed that it would have been better to translate the verse using the figurative meaning, "He has raised up for us a mighty Savior". So, after many readings and many corrections, there is still room for improvement. Pray for Solo as he reads the proposals of the revisors, and makes final decisions in this Siamou N.T. translation process.
