## **Missionary Feature for the month of June**

### **Praise:**

- Shona (the director of Setting the Captives Free) was diagnosed with skin cancer several months ago. The doctor said it was quite bad and that she was going to have a long recovery time. Through prayer, her cancer has shrunk to almost nothing.
- Alicia, Francine, Keri, Claudia and Ivy are doing very well. They have been clean and sober for a long time and are working, taking care of their kids or in ministry.
- Shona is working on the trauma wellness program and will soon lead that again.
- Two people are doing the Genesis process.
- The thrift store is doing very well. There are lots of donations, volunteers and customers. Emma, the store manager, is doing a great job. She's very efficient and has great leadership/people skills.

### **Prayer Requests:**

- Pray for wisdom for the women who received their kids back when they were older and haven't been raised in good situations.
- Pray for those who are stuck in the cycle of addictions, then recovery, then something bad happens, so they go back to their addictions. It seems to be an almost endless cycle.
- Pray that the women will all come to know, love and trust Jesus.

**We have an urgent need for a car for a missionary couple** from July 3-21. If you can help with this - please contact Andrew Kampen (204-392-2841) or Junia Plett (204-894-7222).
