Missionary Feature for the month of September

Eduard & Heike Funk - serving in Central Asia

We arrived in Central Asia, in our city of 1.2 million, five weeks ago. From our kitchen window we can see the mountains that are an hour's drive away. The city's canals are full of fast flowing water. We have settled into our house in the yard of the Children's Home and have figured out where to shop for what we need. We walk and ride buses and taxis to get around. We have spent a lot of time visiting various offices fulfilling the many requirements to get our 2-month, then 1-year visas. The process is not finished yet. With the start of school, a little more routine has begun. Heike teaches grade 6 - 8 science and math at the international school for expat kids. This is also where Cailen and Karly attend school. We have been warmly welcomed. Emily's Russian language classes start this week. She will also volunteer at our school. Edu is the "multi-tool" for the Children's Home, buying groceries, taking care of the yard, and fixing what needs fixing.
